

## AMIRA with EF Lenses now available

The release of the EF mount for AMIRA means that we can now supply AMIRA with EOS DSLR zooms & primes. Clearly, the performance and mechanics of DSLR lenses differs from PL film lenses but now you have a really wide choice of packages and lenses. [AMIRA packages with EF, PL & B4 lenses](#)

## MōVI used on Ch5 Drama

Channel 5's first in-house documentary drama use the MōVI M10 rig to bypass traditional Steadicam use. 5Production, Channel 5's in-house production company, was commissioned to make a new presenter-led drama-documentary fronted by Historian Dan Jones for Channel 5. Britain's Bloodiest Dynasty tells the story and re-enacts key moments in the bloody saga of betrayal and revenge of the greatest Royal dynasty in English history. [...More](#)
